Join Us at the 20th Annual ASIPP® Meeting

The American Society of Interventional Pain Physicians (ASIPP®) was formed in 1998 with the goal of promoting the development and practice of safe, high-quality yet cost-effective interventional pain management techniques for the diagnosis and treatment of pain and related disorders, and to ensure patient access to these interventions. The 20th Annual Meeting will continue that tradition and provide your organization with the opportunity to interact with a broad representation of physicians, nurses, office administrators, and office staff from around the country who are interested in the advancement of interventional pain management. The meeting provides an outstanding opportunity for you to reach the decision-makers who purchase your products and services.

We sincerely hope that you consider exhibiting at the 20th Annual ASIPP® meeting.
