

ASIPP® 20TH ANNUAL MEETING
POSTER PRESENTATION
SUBMISSION GUIDELINES
March 15-17, 2018 | Orlando, Florida

1. Poster Proposals and all accompanying materials must be **electronically submitted** no later than **February 1, 2018**.
2. We consider the Poster Presentations to be an educational activity, and therefore must avoid commercialism and be free of bias. All sources of support must be acknowledged on the Poster.
3. Generic names should be used versus brand names when possible. Also, the use of words such as *novel*, *unique*, *robust*, and *excellent* is thought to be promotional, and **must** be substantiated by proper references or p-values. When possible, use *pharmacologic agent*, *medication*, *therapy*, or a similar term, instead of *drug*.
4. Only Encore presentations from other conferences occurring after April 2017 will be accepted unless new data is being presented.
5. No previously published or presented information will be accepted. All disclaimers regarding publishing or submitting for publication must be disclosed
6. Poster Proposals will be reviewed and selected by members of the Poster Committee. Those selected will be notified at least one month prior to the March 15-17, 2018 meeting.
7. All who submit an abstract will be required to provide an electronic poster for display at the annual meeting. All will be responsible for all personal expenses (travel, hotel, etc.). ASIPP will only pay for the conference fees for the top TEN presenters. Presenters must be registered for the Meeting on the days Posters will be on display.
9. Posters will be electronically displayed . A processing FEE of \$50 will be assessed to offset costs of electronic display devices.
10. Posters will be on display during the meeting on both Friday and Saturday. Presenters are asked to be available during breaks and the final 10 minutes of lunch time for questions during these two days.
