American Society of
Interventional Pain Physicians

The Voice of Interventional Pain Management

YOU'RE INVITED

On behalf of the Board of the American Society of Interventional Pain Physicians (ASIPP®), it is our privilege and pleasure to invite you to attend this Comprehensive Review Course and Hands-On Cadaver Workshop in Interventional Techniques.

The course will run June 29 - 30 in Orlando, Florida at the Loews Sapphire Falls Resort at Universal Orlando™.

This unique course meets the continuing needs of interventionalists, based on input and needs assessment over the years and is a cutting edge educational program.

Includes 1 day of lectures and 1 day of cadaver workshop.

Laxmaiah Manchikanti, MD
Chairman of the Board and
Chief Executive Officer, ASIPP®

Hans Hansen, MD
President, ASIPP®

Sudhir A. Diwan, MD
President-Elect, ASIPP®

STATEMENT OF NEED

This Interventional Techniques Course includes: 1 day comprehensive review course and 1 day hands on cadaver workshop. This course is planned as a CME activity to prepare for ABIPP or an in-depth review in areas of interventional techniques. This review course and cadaver workshop are based on the American Board of Interventional Pain Physicians' requirements.

EDUCATIONAL OBJECTIVES/TARGET AUDIENCE

This comprehensive review course and cadaver workshop for interventional techniques are targeted to interventional pain physicians seeking CME credit hours and an introduction or review of proven interventional techniques, as well as skills improvement.

EDUCATIONAL OBJECTIVES

- Review basic science and core concepts
- Attain understanding of interventional techniques
- Incorporate interventional techniques in treating your patients so that patients have better outcomes and reduced side effects
- Provide high-quality, competent, safe, accessible, and cost-efficient services to your patients
- Improve existing skills and/or develop new skills in the delivery of interventional techniques

AMERICANS WITH DISABILITIES ACT AND SPECIAL SERVICES

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to the conference.

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The Institute for Medical Studies and the American Society of Interventional Pain Physicians (ASIPP®). The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

CATEGORY I CREDIT

The Institute for Medical Studies designates the Interventional Techniques Comprehensive Review Course live activity for a maximum of 8 AMA PRA Category 1 Credits™ and the Interventional Techniques Comprehensive Cadaver Workshop live activity for a maximum of 8 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

ASIPP® is now an ABA Registered CME Provider.

The experience starts with you.

At Loews Hotels you drive everything we do. It all goes back to the fact that, here, your experience isn't quite like everywhere else. We know how to wow you with big flavor and style (look no further than our top-notch restaurants, ocean-side pools, and relaxing spas). Yet, as one of the only independently owned family hotel companies, we know that hospitality comes from the heart. And we're dedicated to give you just that.

The cut-off date for our room block with discounted rates is on June 7, 2018 or until sold out, whichever occurs first.

DUPLICATION OR DISTRIBUTION OF MATERIALS OR RECORDING OF LECTURES WITHOUT EXPRESS WRITTEN PERMISSION FROM ASIPP® IS PROHIBITED. THERE IS NO COMMERCIAL SUPPORT FOR THIS COURSE.

CADAVER LAB COURSE LEVELS FOR INTERVENTIONAL PAIN MANAGEMENT TECHNIQUES

BASIC

1. Caudal epidural injections
2. Lumbar interlaminar epidural injections
3. Lumbar transforaminal epidural injections
4. Lumbar facet joint intraarticular injections
5. Lumbar facet joint nerve blocks
6. Lumbar facet joint radiofrequency neurotomy
7. Percutaneous adhesiolysis

INTERMEDIATE

1. Lumbar discography
2. Thoracic facet joint intraarticular injections
3. Thoracic facet joint nerve blocks and radiofrequency neurotomy
4. Cervical facet joint intraarticular injections
5. Cervical facet joint nerve blocks and radiofrequency neurotomy
6. Cervical interlaminar epidural injections
7. Thoracic interlaminar epidural injections
