American Society of
Interventional Pain Physicians
The Voice of Interventional Pain Management

FROM THE CONFERENCE CO-CHAIRS

On behalf of the Board of the American Society of Interventional Pain Physicians (ASIPP®), it is our privilege and pleasure to invite you to attend this Comprehensive Review Course and Hands-On Cadaver Workshop in Interventional Techniques. The course will run May 4-6 in Phoenix, Arizona at the Kimpton Hotel Palomar. This unique course meets the continuing needs of interventionalists, based on input and needs assessment over the years and is a cutting edge educational program. It entails 1 day of lectures and 1.5 days of hands-on cadaver workshop.

Laxmaiah Manchikanti, MD
Chairman of the Board and
Chief Executive Officer, ASIPP®

Hans Hansen, MD
President, ASIPP®

Sudhir A. Diwan, MD
President-Elect, ASIPP®

STATEMENT OF NEED

This Interventional Techniques Course includes: 1 day comprehensive review course and 1.5 days hands on cadaver workshop. This course is planned as a CME activity to prepare for ABIPP or an in-depth review in areas of interventional techniques. This review course and cadaver workshop are based on the American Board of Interventional Pain Physicians' requirements.

EDUCATIONAL OBJECTIVES/TARGET AUDIENCE

This comprehensive review course and cadaver workshop for interventional techniques are targeted to interventional pain physicians seeking CME credit hours and an introduction or review of proven interventional techniques, as well as skills improvement.

EDUCATIONAL OBJECTIVES

- Review basic science and core concepts
- Attain understanding of interventional techniques
- Incorporate interventional techniques in treating your patients so that patients have better outcomes and reduced side effects
- Provide high-quality, competent, safe, accessible, and cost-efficient services to your patients
- Improve existing skills and/or develop new skills in the delivery of interventional techniques

AMERICANS WITH DISABILITIES ACT AND SPECIAL SERVICES

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to the conference.

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The Institute for Medical Studies and the American Society of Interventional Pain Physicians (ASIPP®). The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

CATEGORY I CREDIT

The Institute for Medical Studies designates the Interventional Techniques Comprehensive Review Course live activity for a maximum of 8 *AMA PRA Category 1 Credits™* and the Interventional Techniques Comprehensive Cadaver Workshop live activity for a maximum of 11 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

ASIPP® is now an ABA Registered CME Provider.
