American Society of
 Interventional Pain Physicians
The Voice of Interventional Pain Management since 1998

FROM THE CHAIRMAN

On behalf of the Board of Directors of the American Society of Interventional Pain Physicians (ASIPP), I would like to invite you to one of the most comprehensive and useful educational conferences available anywhere. The ASIPP Comprehensive Review Courses and Exams in Controlled Substance Management and Coding, Compliance and Practice Management will be held in San Francisco, CA, during the week of July 30-August 5, 2012.

The Comprehensive Review Course will be held concurrently at the same venue as the 7th Annual Comprehensive Board Review Course. Please note that you can only register for the Board Review Course or the Controlled Substance Management and Coding, Compliance and Practice Management Review Course (not both).

Since we began offering the Competency Review course in 2005, it has become recognized as a "must attend" training event for interventional pain physicians and physicians just entering interventional pain management or in-training and physicians appearing for board examinations by various boards. The Coding, Compliance and Practice Management is so beneficial to practices, both office-based and ASCs, that many physicians send their staff early to keep them current on the cutting edge aspects of practice management.

This intensive review course is designed to present interventional pain management specialists and other health care providers an in-depth review of multiple areas of interventional pain management—the areas we were never taught, yet are crucial for our survival. The course features many nationally recognized experts in pain management billing and coding and practice management as well as controlled substance management. In today's environment of regulations and litigations, you can't afford not to broaden your knowledge and refresh your skills in these areas.

In addition to the review course, the American Board of Interventional Pain Physicians (for physicians) and the American Association of Allied Pain Management Professionals (for non-physicians) offers the opportunity for examination in order for physicians to obtain competency certification to and non-physicians to obtain associate certificates in Controlled Substance Management and Coding, Compliance, and Practice Management.

We hope you will join us in exciting San Francisco, for this once-a-year educational event. Whether you have practiced pain medicine or interventional pain management for years, if you are new to the discipline, or if you are in training—the ever-changing field of medicine, practice management, and rules and regulations associated with these specialties makes this an essential course for you.

Sincerely,

Laxmaiah Manchikanti, MD
Chief Executive Officer and Chairman of the Board, ASIPP

Statement of Need

These two-day comprehensive review courses are planned as a CME activity to prepare for competency certification or an in-depth review in areas of controlled substance management and coding, compliance, and practice management. This review course is based on the American Board of Interventional Pain Physicians' specifications for competency certification examinations.

This course will provide in-depth evaluation of the knowledge of the participants with extensive review of subject(s).

As part of this comprehensive, in-depth, intense two-day review course, ASIPP will provide participants with a syllabus with outlines of the lectures and accompanying questions.

Educational Objectives/Target Audience

The courses are intended to present interventional pain management specialists, nurses, and other healthcare providers an in-depth review of multiple areas of interventional pain management including controlled substance management.

Educational Objectives for

Controlled Substance Management:

- Review basic science and core concepts
- Discuss pharmacology
- Identify clinical use and effectiveness
- Identify substance abuse
- Discuss topics with documentation, regulatory issues, legal issues, and ethical issues

Educational Objectives for Coding,

Compliance, and Practice Management:

- Discuss documentation
- Review practice management topics
- Discuss coding and billing
- Examine compliance issues

Outcome

Participants in the Controlled Substance Management Course should be able to apply the fundamental concepts of managing controlled substances in your practice, from pharmacology and the clinical uses to identifying abuse and the legal aspects of prescribing, for better outcomes and reduced side effects. Participants in the Coding, Compliance and Practice Management Course will learn to operate comprehensive interventional pain care centers more efficiently, so that patients will receive the best care available.

Americans with Disabilities Act And Special Services

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to the conference.

Accreditation Statement

This CME activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education thru the Joint Sponsorship of the Institute for Medical Studies (IMS) and the American Society of Interventional Pain Physicians. The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

Category I Credit

The Institute for Medical Studies designates this educational activity for a maximum of 32.25 AMA PRA Category 1 Credits for both courses. Physicians should only claim credit commensurate with the extent of their participation in the activity.

RN, NP and PA Credit

Nurses may claim credit for activities approved for AMA PRA Category 1 Credits in most states, for up to 50% of the nursing requirement for recertification. This activity is designated for up to 32.25 AMA PRA Category 1 Credits.

Nurse Practitioners: The American Academy of Nurse Practitioners (AANP) accepts 32.25 AMA PRA Category 1 Credits from organizations accredited by the ACCME. IMS is accredited to provide continuing medical education for physicians and will provide nurse practitioners who successfully complete each activity with a certificate of participation indicating that the activity was designated for 32.25 AMA PRA Category 1 Credits.

The American Academy of Physician Assistants (AAPA) accepts AMA PRA Category 1 Credits from organizations accredited by the ACCME. The provider of this program, the Institute for Medical Studies, is accredited by the ACCME and designates this educational activity for a maximum of 32.25 AMA PRA Category 1 Credits. Physician assistants should only claim credit commensurate with the extent of their participation in the activity.

Coding Credit

ASIPP has applied for approval of the American Academy of Professional Coders for the appropriate Continuing Education Units. Granting of this approval in no way constitutes endorsement by the Academy of the program, content or any sponsors.

ACCOMMODATIONS

The Westin San Francisco Market Street

50 Third Street, San Francisco, CA 94103.

415.974.8717

Conveniently located in the South of Market district, with premier shopping, dining, and attractions. A short walk will take you to scenic cable car trips to Chinatown, Fisherman's Wharf, the Ferry Building, and Union Square.

The discounted nightly rate of \$169 applies only to those who register on or before July 5, 2015. Ask for the ASIPP room block when registering.

CONTROLLED SUBSTANCE MANAGEMENT COMPREHENSIVE REVIEW COURSE

MONDAY JULY 30, 2012

7:00am-8:00am	REGISTRATION AND BREAKFAST	
8:00am-8:45am	Introduction	Hans C. Hansen, MD
8:45am-9:30am	Epidemiology of Drug Abuse	Hans C. Hansen, MD
9:30am-10:15am	Terminology, Mechanisms and Management of Abuse and Addictive Disorders	Sanford M. Silverman, MD
10:15am-10:45am	BREAK	
10:45am-11:30am	Basic Principles of Pharmacology: Pharmacokinetics, Pharmacodynamics, Metabolism, and Adverse Events	Andrea Trescot, MD
11:30am-12:15pm	Controlled Substance Pharmacology: Non-Opioids, Benzodiazepines, Sedatives, and Hypnotics	Sanford M. Silverman, MD
12:15pm-1:15pm	LUNCH (provided)	
1:15pm-2:00pm	Opioid Pharmacology	Alan Kaye, MD, PhD
2:00pm-2:45pm	Current Drug Therapy	Hans C. Hansen, MD
2:45pm-3:30pm	Assessment and Management of Opioid Dependency and Withdrawal	Sanford M. Silverman, MD
3:30pm-4:15pm	BREAK	
4:15pm-4:45pm	Office Detoxification	Sanford M. Silverman, MD
4:30pm-5:15pm	Drug Abuse Among Medical Professionals	Hans C. Hansen, MD

CONTROLLED SUBSTANCE MANAGEMENT COMPREHENSIVE REVIEW COURSE

TUESDAY JULY 31, 2012

7:00am-8:00am	REGISTRATION & BREAKFAST	
8:00am-8:45am	Assessment and Management of Benzodiazepine, Sedatives and Hypnotic Withdrawal	Sanford M. Silverman, MD
8:45am-9:30am	Dealing with a Difficult Patient: Demanding, Manipulative, and Seductive	Hans C. Hansen, MD
9:30am-10:15am	Critical Review of Effectiveness of Opioids in Chronic Pain	Sanford M. Silverman, MD
10:15am-10:45am	BREAK	
10:45am-11:30am	Adherence Monitoring and Drug Testing	Hans C. Hansen, MD
11:30 am-12:15pm	Application of Guidelines and Documentation	Andrea Trescot, MD
12:15pm-1:15pm	LUNCH (provided)	
1:15pm-2:00pm	Controlled Substance Act	Mark Hardiman, JD
2:00pm-2:45pm	Defending Drug Charges: Drug Abuse and Malprescribing	Mark Hardiman, JD
2:45pm-3:15pm	BREAK	
3:15pm-5:15pm	Ethics in Interventional Pain Management	Gail Van Norman, MD

CONTROLLED SUBSTANCE MANAGEMENT COMPREHENSIVE EXAMINATION

WEDNESDAY AUGUST 1, 2012

	EXAMINATION - CONTROLLED SUBSTANCE MANAGEMENT	
8:15am-8:45am	REGISTRATION & BREAKFAST	
8:45am	Test Instruction and Examination (You will have 2 hours to complete the 100 question examination)	

CODING, COMPLIANCE AND PRACTICE MANAGEMENT COMPREHENSIVE REVIEW COURSE

THURSDAY AUGUST 2, 2012

7:00am-8:00am	REGISTRATION & CONTINENTAL BREAKFAST	
8:00am-8:45am	Introduction	Frank J. E. Falco, MD
8:45am-9:30am	Documentation, Billing and Coding: Basic Concepts	Debbie Farmer, CPC
