COMPREHENSIVE REVIEW COURSE AND CADAVER WORKSHOP

(BASIC, INTERMEDIATE, AND COMPREHENSIVE INTERVENTIONAL PAIN MANAGEMENT EXAMINATION PREPARATION COURSE)

FEBRUARY 18-20, 2011 | MEMPHIS TENNESSEE | UP TO 20.25 AMA PRA CATEGORY 1 CREDITS

GENERAL INFORMATION

Description, Purpose and Target Audience

This 2½-day review course and workshop is designed for interventional pain physicians, for a review, skills improvement or to assist in preparation for Comprehensive Interventional Pain Management Examination qualifications. ASIPP offers the most in-depth, comprehensive, and individualized programs available in interventional pain management, featuring maximum hands-on training with cadavers in a state-of-the-art facility and maximum ability to interact with other participants. Participants will experience a comprehensive and intense learning opportunity, focusing on interventional pain management techniques.

- Each cadaver station is limited to a maximum of 8 participants.
- Participants can choose the level of participation: basic, intermediate, or Comprehensive Interventional Pain Management Examination Preparation Course.
- C-arms and state-of-the-art equipment are utilized in this course. Participants are requested to dress in casual attire or scrubs. Lead aprons and thyroid shields will be provided. However, participants are advised to bring their own protective eyewear.

The workshop is offered to improve the delivery of multiple aspects of interventional pain management. The desired outcome is to integrate multiple aspects of interventional pain management in treating your patients so that patients have better outcomes and reduced side effects.

Outcome

Physicians should be able to integrate multiple aspects of interventional pain management techniques in patient treatments so that patients have better outcomes and reduced side effects.

Accreditation Statement

The November workshop is a CME activity that has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the Joint Sponsorship of the Institute for Medical Studies and the American Society of Interventional Pain Physicians. The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

Americans with Disabilities Act & Special Services

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in these educational activities is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to each conference.
