

# COMPREHENSIVE REVIEW COURSE AND CADAVER WORKSHOP

(BASIC, INTERMEDIATE, AND COMPREHENSIVE INTERVENTIONAL  
PAIN MANAGEMENT EXAMINATION PREPARATION COURSE)

**SUBMITTED FOR UP TO 20.25 AMA PRA CATEGORY 1 CREDITS™**

**Phoenix** — Arizona's urban heart and America's sunniest metropolis. Projected against this rich backdrop is a panorama of urban sophistication: Resorts and spas that drop jaws and soothe souls. Stadiums and arenas worthy of the world's biggest sports spectacles. Restaurants with inspired cuisine and inspiring patio views. Golf courses that beckon players the year round. Shopping centers as stylish and eclectic as the fashions they house. The Cadaver Lab, **Science Care**, sets the standard of excellence for the donation and responsible use of human tissue for medical research, training and professional education. **Science Care** is the only organization to be accredited by both the American Association of Tissue Banks (AATB) and accredited as a provider by the Accreditation Council for Continuing Medical Education (ACCME). We have a fully audited quality assurance program, and insist on the highest standards not only for us, but for the vendors and clients that we work with.

# COMPREHENSIVE REVIEW COURSE AND CADAVER WORKSHOP

(BASIC, INTERMEDIATE, AND COMPREHENSIVE INTERVENTIONAL PAIN MANAGEMENT EXAMINATION PREPARATION COURSE)

FEBRUARY 24-26, 2012 | PHOENIX, ARIZONA

## FROM THE CHAIRMAN

On behalf of the American Society of Interventional Pain Physicians and the ASIPP Board of Directors, I am pleased to offer this unique educational event that can

assist you in furthering your knowledge-base and skills in the specialty of Interventional Pain Management. This unique course is designed for and dedicated to offering the highest level of education, training, and measurement of skills in our goal to provide better care and access for our patients.

The Comprehensive Review Course and Cadaver Workshop is designed to meet the unique needs of interventional pain physicians. With our excellent participant/instructor ratio, you will have the opportunity for personal interaction with our highly distinguished faculty of world-renowned teachers and lecturers, creating a thorough and compelling educational experience.

During the 2½-day Comprehensive Review Course and Cadaver Workshop, you can improve existing skills and/or learn new techniques. Whether you have been practicing interventional pain management for many years or are new to the field with basic skills, we are confident you will find this course and workshop to be beneficial – as it is essential that we continue learning and exploring new procedures and techniques in our specialty.

We are confident that you will benefit from this exceptional opportunity for professional enhancement. This seminar will be conducted at The Science Care facility in Phoenix, Arizona and accommodations will be at the Pointe Hilton Squaw Peak resort. Make your plans early to attend. We look forward to seeing you in Phoenix. If you have any questions, please feel free to contact me at 2831 Lone Oak Road, Paducah, KY 42003, phone: 270-554-8373 ext. 101, fax: 270-554-5394, or e-mail: [drm@asipp.org](mailto:drm@asipp.org)

Sincerely,

Laxmaiah Manchikanti, MD

Chairman of the Board and Chief Executive Officer, ASIPP

# COMPREHENSIVE REVIEW COURSE AND CADAVER WORKSHOP

(BASIC, INTERMEDIATE, AND COMPREHENSIVE INTERVENTIONAL PAIN MANAGEMENT EXAMINATION PREPARATION COURSE)

FEBRUARY 24-26, 2012 | PHOENIX, ARIZONA

## DESCRIPTION, PURPOSE AND TARGET AUDIENCE

This 2½-day review course and workshop is designed for interventional pain physicians, for a review, skills improvement or to assist in preparation for Comprehensive Interventional Pain Management Examination qualifications. ASIPP offers the most in-depth, comprehensive, and individualized programs available in interventional pain management, featuring maximum hands-on training with cadavers in a state-of-the-art facility and maximum ability to interact with other participants. Participants will experience a comprehensive and intense learning opportunity, focusing on interventional pain management techniques.

- Each cadaver station is limited to a maximum of 8 participants.
- Participants can choose the level of participation: basic, intermediate, or Comprehensive Interventional Pain Management Examination Preparation Course.
- C-arms and state-of-the-art equipment are utilized in this course. Participants are requested to dress in casual attire or scrubs. Leaded aprons and thyroid shields will be provided. However, participants are advised to bring their own protective eyewear.

The workshop is offered to improve the delivery of multiple aspects of interventional pain management. The desired outcome is to integrate multiple aspects of interventional pain management in treating your patients so that patients have better outcomes and reduced side effects.

## OUTCOME

Physicians should be able to integrate multiple aspects of interventional pain management techniques in patient treatments so that patients have better outcomes and reduced side effects.

## ACCREDITATION AND CME CREDIT STATEMENTS

This CME activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education thru the Joing Sponsorship of the Institute for Medical Studies (IMS) and ASIPP. IMS is accredited by the ACCME to provide continuing medical education for physicians.

## THERE IS NO COMMERCIAL SUPPORT FOR THIS COURSE.

**No duplication or distribution of materials, or recording of lectures associated. There is NO commercial support for this course.**

The Institute for Medical Studies designates this educational activity for a maximum of 20.25 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

## AMERICANS WITH DISABILITIES ACT & SPECIAL SERVICES

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in these educational activities is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to each conference.

## CADAVER WORKSHOP SITE

**Science Care** sets the standard of excellence for the donation and responsible use of human tissue for medical research, training and professional education. **Science Care** is the only organization to be accredited by both the American Association of Tissue Banks (AATB) and accredited as a provider by the Accreditation Council for Continuing Medical Education (ACCME).

## ACCOMMODATIONS

**POINTE HILTON SQUAW PEAK RESORT**  
7677 North 16th Street, Phoenix, Arizona  
Tel: 1-602-997-2626 Fax: 1-602-997-2391

**Hilton**

Nestled into the slopes of the Phoenix North Mountains is the Pointe Hilton Squaw Peak Resort. This 563-suite resort offers unparalleled ambiance and personal service. The Resort is home to the Hole-in-the-Wall River Ranch - a water wonderland with acres of pools and a putting course; Tocasierra Spa, Salon & Fitness; tennis; Coyote Camp™ - children's program; themed dining establishments; access to the Lookout Mountain Golf Club; and more. **Inform the agent that you are booking for ASIPP. We have secured a group room rate of \$160. Reserve rooms early—all unbooked rooms will be released February 2, 2012.**
