Up to 41.25 CME Category I Credit Hours

Comprehensive Pain Medicine Board Review Course

ASIPP

STATEMENT OF NEED

This 5-day intensive Board Review Course is planned as a CME activity to prepare physicians seeking board certification, re-certification, or an in-depth review of the specialty of pain medicine. This review Course will be based on the specifications of subspecialty in pain medicine examination of American Board of Anesthesiology, physical medicine and rehabilitation; and neurology and psychiatry. This review course will meet 60-70% curriculum of ABIPP – Part I.

This Course will provide in-depth evaluation of the knowledge of the participating physicians with extensive pre-Course and post Course Board Review examinations, daily pre- and post-tests, and review of the questions daily.

As part of this comprehensive, in-depth, intense 5-day Board Review Course, we will provide you with the following:

1. *Syllabus with outlines of the lectures and accompanying questions, distributed at the meeting.*
2. *Results of the tests provided on site on a daily basis.*

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Louisville and the American Society of Interventional Pain Physicians. The University of Louisville is accredited by the ACCME to provide continuing medical education for physicians.

CATEGORY I CREDIT

Continuing Health Sciences Education designates this educational activity for a up to 41.25 hours of Category I credit toward the AMA Physician's Recognition Award. Each physician should claim only those hours that he/she actually spent in the educational activity.

AMERICANS WITH DISABILITIES ACT

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at (270)554-9412 at least 10 days prior to the conference.

AUDIENCE/OBJECTIVE

This Board Review Course is intended to present pain management specialists seeking board certification, re-certification, or an in-depth review of the specialty with an overview of the anatomy, physiology, diagnosis, and treatment of a wide range of painful disorders, in order for participants to pass certification or recertification and obtain in-depth review; and therefore be able to provide improved medical treatment to enhance patient outcomes.

This review is not supported by a commercial company.
