AMERICAN SOCIETY OF INTERVENTIONAL PAIN PHYSICIANS OFFERS

Competency Certification Review Courses

- **Controlled Substance Management**
 - **Coding, Compliance and Practice Management**
- FOR PHYSICIANS AND NON-PHYSICIANS**

May 4-7, 2006

ASIPP STATEMENT OF NEED

This four-day intensive comprehensive review course is planned as a CME activity to prepare physicians seeking competency certification or an in-depth review for interventional pain physicians or other staff in areas of controlled substance management, coding, compliance, and practice management. This review course is based on the American Board of Interventional Pain Physicians' specifications with proportionate weighted averages of course curriculum to prepare attendees for competency certification.

This course will provide in-depth evaluation of the knowledge of the participants with extensive review of subject(s).

As part of this comprehensive, in-depth, intense four-day review course, ASIPP will provide you with a syllabus with outlines of the lectures and accompanying questions.

EDUCATIONAL OBJECTIVES/ TARGET AUDIENCE

The four-day intensive review course is intended to present interventional pain management specialists and other healthcare providers an in-depth review of multiple areas of interventional pain management including compliance, coding, practice management; and controlled substances management.

Educational objectives covered for Controlled Substance Management are as follows:

- Review basic science and core concepts.
- Discuss pharmacology.
- Identify clinical use and effectiveness.
- Identify substance abuse.
- Discuss topics with documentation, regulatory issues, legal issues, and ethical issues.

Educational objectives for Coding, Compliance and Practice Management are as follows:

- Discuss documentation.
- Review practice management topics.
- Discuss coding and billing.
- Examine compliance issues.

OUTCOME

Physicians will learn to operate comprehensive interventional pain care centers more efficiently, so that patients will receive the best care available.

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Louisville and the American Society of Interventional Pain Physicians. The University of Louisville is accredited by the ACCME to provide continuing medical education for physicians.

CATEGORY I CREDIT

Continuing Health Sciences Education designates this educational activity for up to **31.75** hours of Category I credit toward the AMA Physician's Recognition Award. Each physician should claim only those hours that he/she actually spent in the educational activity.

NURSING CREDIT

This program has been approved by the Kentucky Board of Nursing for **38.1** contact hours through University of Louisville School of Nursing. Provider No. 3-0046-7-07-036; Expiration: July 2007. The Kentucky Board of Nursing approval of an individual nursing education provider does not constitute endorsement of program content. Participants must attend entire sessions, provide their nursing license and Social Security numbers, and complete an evaluation to receive contact hours.

AMERICANS WITH DISABILITIES ACT

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity needs accommodations, please contact the organizers at 270.554.9412 at least 10 days prior to the conference.

There is no commercial support for this workshop.

CANCELLATION POLICY:

Cancellations must be submitted in writing and received by March 31, 2006; however, an administrative fee of \$100 will be assessed. Cancellations after March 31, 2006, will result in forfeiture of 50% of registration fee. No cancellations accepted after April 10, 2006. Refunds will be sent after the conclusion of the meeting. Organizers reserve the right to cancel this meeting and will assume no financial obligation to the registrants for cancellation. Registration fees will be refunded. However, costs incurred by the registrant (i.e., airline fees, hotel fees, or penalties) are the responsibility of registrant.

***NOTE:**
Applications for ABIPP
or AAAIPMP examinations
on May 8, 2006, must be
submitted separately.
See pages 9-11.

FOR PHYSICIANS ONLY

AMERICAN BOARD OF INTERVENTIONAL PAIN PHYSICIANS

presents

- Competency Certification in Controlled Substance Management
- Competency Certification in Coding, Compliance And Practice Management

(Diplomate Certification: Passing these two exams will satisfy completion for ABIPP-Part I for physicians with current ABMS subspecialty certification in pain medicine by ABA, ABPMR or ABPN but not non-ABMS certifications. FIPP certification will satisfy Part II.)

An applicant must meet each of the following criteria in order to qualify to take the certification examination.

Applications will be reviewed to determine if the applicant qualifies for the examination. Submission of an application does not guarantee an applicant's acceptance to take the examination. Physicians must have:

- A valid license to practice medicine in the United States, or an institutional license for residents currently enrolled in the AC-GME approved residency program. ABIPP does not consider a license to be valid if it has been suspended, revoked or surrendered.
- Good standing in his/her medical community
