RECOGNIZING REVEREND C. DALE EDWARDS OF THE O'FALLON ASSEMBLY OF GOD, ON THE OCCASION OF HIS 50TH ANNIVERSARY OF PASTORAL SERVICE

HON. JERRY F. COSTELLO

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 8, 2005

Mr. COSTELLO. Mr. Speaker, I rise today to ask my colleagues to join me in recognizing Reverend C. Dale Edwards, of the O'Fallon Assembly of God, in O'Fallon, Illinois, on the occasion of his 50th Anniversary of pastoral service.

C. Dale Edwards was born in New City, Illinois, a community just southeast of the State Capitol of Springfield. During his early years on the farm and later, when the family moved to the nearby town of Edinburg, his mother always made sure the family faithfully attended the Gospel Tabernacle in Edinburg. During those early days at the Gospel Tabernacle, Reverend Edwards first realized his calling when, as a teenager, he was invited by Pastor Best to preach on occasion.

An accident in an elevator shaft left Reverend Edwards with a badly damaged foot that looked as if it was going to require amputa-

tion. Through the intervention of a family friend, Reverend Edwards attended a revival meeting where his foot was healed. This experience, coupled with his preaching at the Gospel Tabernacle, spurred Reverend Edwards to apply to North Central Bible College in Minneapolis, Minnesota.

While at NCBC, Reverend Edwards became youth pastor in Hopkins, Minnesota in 1955, thus beginning the 50 years of pastoral ministry that we commemorate today.

After building congregations in Minnesota, South Dakota and Rock Island, Illinois, Reverend Edwards became the Senior Pastor of First Assembly of God in Granite City, Illinois where he served from 1974 through 1991. For the next six years, Reverend Edwards served as the Executive Secretary/Treasurer of the Illinois District Assemblies of God, where he oversaw the credentialing of all Assembly of God ministers in Illinois. In this capacity, he also served as chairman of the Illinois District 75th Anniversary Celebration.

Reverend Edwards and his wife, Dottie, currently reside in O'Fallon, Illinois where they serve as Senior Pastors at O'Fallon Assembly of God. Reverend Edwards and Dottie have four children, all serving the Lord.

Mr. Speaker, I ask my colleagues to join me in an expression of appreciation to Reverend Edwards for his 50 years of dedicated ministry and to wish him the very best in the future.

AMERICAN SOCIETY OF INTERVENTIONAL PAIN PHYSICIANS (ASIPP)

HON. FRANK PALLONE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 8, 2005

Mr. PALLONE. Mr. Speaker, earlier this summer the National All Schedules Prescription Electronic Reporting (NASPER) Act of 2005 was approved by both houses of Congress and signed into law by President Bush. I rise today to recognize the important contributions of Dr. Laxmaiah Manchikanti and the American Society of Interventional Pain Physicians (ASIPP) in accomplishing this important achievement.

Dr. Manchikanti is a physician of Indian origin who has practiced medicine in Paducah, Kentucky for the last 25 years. He is a well-known and well-respected physician with interests in many aspects of medicine, both in patient care, as well as academics.

Dr. Manchikanti is a recognized leader in the circles of interventional pain management. Apart from his interest in the clinical practice of anesthesiology and interventional pain management, he is also proficient in administrative medicine, patient advocacy, the economics of healthcare, medical ethics and various other aspects of the profession. He is an avid clinical researcher with numerous publications in peer-reviewed journals with original contributions.

Dr. Manchikanti currently serves as Chief Executive Officer of the American Society of Interventional Pain Physicians. With over 3,400 members, ASIPP is the largest organization in the country that represents physicians involved in trying to alleviate the intractable pain experienced by millions of Americans. Because of their professional involve-

ment with pain medicine many ASIPP members have a vested interest in solving the problem of prescription drug abuse and diversion.

Mr. Speaker, one of the fastest growing areas of drug abuse in our nation today is the diversion of prescription drugs. According to the National Institute of Health—National Institute on Drug Abuse, approximately 9 million Americans are misusers of prescription drugs. Furthermore, in 2001 the National Household Survey on Drug Abuse, found statistically significant increases between 2000 and 2001 in the use of multiple drugs including non-medical use of pain relievers and tranquilizers.

Prescription drug abuse is an issue that transcends societal boundaries, and affects all areas of our nation and all income levels. In an effort to prevent prescription drug abuse the NASPER Act establishes a federal system for electronic prescription databanks, which a doctor could access to determine what, if any, medication their patient should be given.

From the very beginning, Dr. Manchikanti and his colleagues at ASIPP have played a crucial role in the development of the NASPER Act. Thanks to their active involvement and insightful guidance, we were able to craft a thoughtful policy that will give physicians, pharmacists, and law enforcement agents the tools necessary to curb prescription drug abuse.

Mr. Speaker, next week ASIPP will hold its 7th annual legislative session in Washington. I would like to welcome ASIPP to our nation's capital, and offer my gratitude for all of their efforts over the past several years. Thanks to the hard work of Dr. Manchikanti and all of his colleagues the NASPER Act has finally become law and we can begin to address this very serious public health concern.

I must emphasize that this is only the beginning. There is still a lot of important work left to be done in terms of implementing and enforcing this new law. I am looking forward carrying my partnership with Dr. Manchikanti and ASIPP forward, as we continue to work together to help eliminate prescription drug abuse.

REGARDING H.R. 3673, MAKING FURTHER EMERGENCY SUPPLEMENTAL APPROPRIATIONS TO MEET IMMEDIATE NEEDS ARISING FROM THE CONSEQUENCES OF HURRICANE KATRINA

HON. SHEILA JACKSON-LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 8, 2005

Ms. JACKSON-LEE of Texas. Mr. Speaker, I rise in support of this bill because of the grave and immediate need that exists. As a representative of Houston, Texas, where over 150,000 Katrina evacuees were received, I can say from first hand knowledge that this is truly only a first step toward what is necessary and emergent. This measure is an initial investment—a down payment—for a long-term relief package—that unfortunately has not yet been codified.

Here we are, nine days after Hurricane Katrina devastated parts of Louisiana, Mississippi and Alabama. I want to thank Congressmen JEFFERSON and THOMPSON, who
