CONTINUING EDUCATION CREDITS AVAILABLE

The Indiana & Kentucky Societies of Interventional Pain Physicians (INSIPP & KSIPP) Annual Meeting is designed for physicians, nurses, and other medical care personnel involved in the field of pain management.

OBJECTIVES

This symposium is designed for participants to learn more about:

- Government efforts in tracking prescription medications.
- Emerging trends in controlled substance management.
- Discuss the status of healthcare in the states of Indiana, Kentucky and other surrounding states.
- Medical errors in interventional pain medicine.
- Urine drug testing.

OUTCOME

The Indiana & Kentucky Societies of Interventional Pain Physicians Annual Meeting is offered to provide you with an opportunity to improve knowledge and skills regarding multiple aspects of pain management so that you can better diagnose, manage and treat patients using the latest pain technology and information for improved patient outcomes.

CME/CEU DESIGNATION STATEMENT

This CME activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the Institute for Medical Studies (IMS) and the Indiana & Kentucky Society of Interventional Pain Physicians. The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians. IMS designates this live activity for a maximum 5.25 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.
