Comprehensive Imaging Conference

Comprehensive **Imaging Review** in Interventional Pain Management

JULY 13-16, 2007

American Society Of Interventional Pain Physicians

From The Chief Executive Officer

On behalf of the American Society of Interventional Pain Physicians (ASIPP), it is my honor and privilege to invite you to attend the 2nd Annual Comprehensive Imaging Review in Interventional Pain Management & Competency Certification in Fluoroscopic Interpretation and Radiation Safety on July 13-16, 2007 in Las Vegas.

This comprehensive seminar is designed to provide interventional pain physicians with the ability to understand radiological evaluations and fluoroscopic interpretation. In addition, we offer to all interested physicians the opportunity to sit for a radiation safety competency examination.

This course is an essential component for interventional pain physicians and will provide educational opportunities to assist you in providing high quality, competent, safe, accessible and cost-efficient services to your patients. This course, as with all ASIPP courses, focuses on doing the right things, the right way and for the right reasons.

Our faculty consists of many experts and authorities in the field of radiographic technique. The course will also provide you with an opportunity to network with other interventional pain physicians. We are confident this is one ASIPP course you will not want to miss.

I hope you will make plans today to join us in Las Vegas at the world famous MGM Grand for this vital course.

Sincerely,

Laxmaiah Manchikanti, MD
Chief Executive Officer, ASIPP
President and CEO, SIPMS

Comprehensive Imaging Conference

Comprehensive Imaging Review in Interventional Pain Management

JULY 13-16, 2007

American Society Of Interventional Pain Physicians

ASIPP Statement of Need

This 3-day Comprehensive Imaging Review Course is planned as a CME activity to prepare physicians seeking competency certification or an in-depth review for the interventional pain physician in fluoroscopic interpretation and radiation safety. This course will provide in-depth evaluation of the knowledge of the participants with extensive review of subject(s).

As part of this comprehensive, in-depth, intense 3-day Review Course, we will provide you with the following:

- Syllabus with outlines of the lectures and accompanying questions, distributed at the meeting.

Educational Objectives

- Review, in-depth, multiple areas of interventional pain management including fluoroscopic interpretation and radiation safety
- Demonstrate skills for competency certification

Outcome

Prepare physicians for competency certification and provide them with an in-depth study of interventional pain management including fluoroscopic interpretations and radiation safety so that patients are not exposed to unsafe levels of radiation, and they receive the most up-to-date diagnosis and treatment afforded in pain management. Prepare radiographic technologists and other healthcare professionals to understand fluoroscopy operation and safety in reference to Interventional Pain Management.

Americans with Disabilities Act

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to the conference.

Accreditation Statement

This activity has been planned and implemented in accordance with Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Louisville and the American Society of Interventional Pain Physicians. The University of Louisville is accredited by the ACCME to provide continuing medical education for physicians.

Category I Credit

The University of Louisville Continuing Health Sciences Education designates this educational activity for a maximum of 23.5 *AMA PRA Category 1 Credits*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nursing Credit

This program has been approved by the Kentucky Board of Nursing:

- Friday, July 13, 2007 for
5.4 contact hours provider number 3-0046-12-07-134, 8:00–2:00 PM
3.0 contact hours provider number 3-0046-12-07-135, 2:00–5:00 PM
1.8 contact hours provider number 3-0046-12-07-136, 5:00–6:30 PM
 - Saturday, July 14, 2007 for
2.4 contact hours provider number 3-0046-12-07-137, 8:00–10:00 AM
2.1 contact hours provider number 3-0046-12-07-138, 10:30–12:00 PM
2.4 contact hours provider number 3-0046-12-07-139, 1:00–3:00 PM
2.9 contact hours provider number 3-0046-12-07-140, 3:30–5:55 PM
 - Sunday, July 15, 2007 for
8.4 contact hours provider number 3-0046-12-07-141, 8:00–5:00 PM
- through the University of Louisville School of Nursing, expiration date December 1, 2007. The Kentucky Board of Nursing approval of an individual nursing education provider does not constitute endorsement of program content. Participants must attend entire session, provide license and SS#, and complete evaluation to receive contact hours.

Radiographic Technologists

A Credit application has been submitted and is pending approval.

Physician Assistant

AAPA accepts Category 1 credit from AOACCME, Prescribed credit from AAFP, and AMA Category 1 CME credit for the PRA from organizations accredited by ACCME.

There is no commercial support for review course and competency certification.

No duplication or distribution of materials, or recording of lectures associated with this conference is permitted without express written consent of the American Society of Interventional Pain Physicians. All rights reserved.

Accommodations

The Signature at MGM Grand
