

BIOGRAPHY

Vijay Singh, MD

Lifetime Director, ASIPP
Pain Diagnostics Associates
Niagara, Wisconsin

Vijay Singh, MD came to the U.S. in 1978. He moved to the Upper Peninsula of Michigan in 1989 and has been in practice for the past 15 years serving patients of the Upper Peninsula and Northeastern Wisconsin. His background includes 1 year of general surgery from Brookdale Hospital in Brooklyn, New York, two and a half years of Neurosurgery from Memorial Sloan Kettering Cancer Center in New York, and three plus years of Anesthesiology/Pain Management from the University of South Florida in Tampa, Florida. He is Board Certified in the Anesthesiology and the Subspecialty of Pain Management by the American Board of Anesthesiology. Dr. Singh has been a member of ASIPP since its inception and actively supports ASIPP's efforts in preserving patient's access to Interventional Pain Management services.

Singh has authored some of the initial articles related to IDET and Percutaneous Disc Decompression using Coblation. Dr. Singh continues to actively support ASIPP PAC. On many occasions he has accompanied other ASIPP members to Capitol Hill to voice concerns on behalf of the ASIPP members and their patients. He firmly believes in the efforts of ASIPP and is a strong supporter of ASIPP activities.
