Dear Dr. Marshall:

Congratulations on being selected to represent the Oklahoma Society of Interventional Pain Physicians on the Oklahoma Contractor Advisory Committee (CAC) for a three-year tenure from June 1, 2010, through May 31, 2013. For your reference I have enclosed the "Purpose of the Committee", as well as the approved meeting minutes from our last meeting. These documents should help explain what the committee is about and what your role will be on the committee.

You will receive a finalized agenda and proposed policy issues prior to each CAC meeting. If you have topics that you would like discussed at a meeting please send them to us. If time permits, we will discuss them during the "Other Business" portion of the meeting. If the items are related to National Policy or legislation, we will forward your concerns to the Centers for Medicare and Medicaid Services (CMS) for their input. However, based on the purpose of these meetings, we cannot discuss specific claims or National Policy.

Please feel free to call me at 469-372-6074 if you have any questions about the meetings or your role as representative. You may also fax any comments or questions you have to me at 469-372-2649. We look forward to working with you.

Yours very truly,

Debra L. Patterson, MD
