American Society of Interventional Pain Physicians
The Voice of Interventional Pain Management
FROM THE CONFERENCE CO-CHAIRS

On behalf of the Board of the American Society of Interventional Pain Physicians (ASIPP®), it is our privilege and pleasure to invite you to attend this Lumbar Endoscopic Spinal Decompression Review Course and Hands-On Cadaver Workshop. The course will run May 4-6 in Phoenix, Arizona at the Kimpton Hotel Palomar. This unique course meets the continuing needs of interventionalists, based on input and needs assessment over the years and is a cutting edge educational program. It entails 1 day of lectures and 1.5 days of hands-on cadaver workshop.

DESCRIPTION

This lumbar intervention course includes 1 day of didactics and 1 1/2 days of cadaver workshop. Lumbar Endoscopic Spine Decompression is a minimally invasive procedure that can help relieve pain, numbness and decreased mobility caused by nerve pressure created by a ruptured, herniated or bulging disc. This technique is performed by inserting a small instrument under X-ray guidance through the skin to reach the affected disc and provide treatment.

OBJECTIVES

- Attain understanding of Lumbar Endoscopic Spine Decompression
- Attain eligibility for competency certification
- Integrate new and progressive interventional pain management techniques in treating your patients so that patients have better outcomes and reduced side effects
- Provide high-quality, competent, safe, accessible, and cost-efficient services to your patients

ACCREDITATION STATEMENT

These CME activities have been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint providership of The Institute for Medical Studies and the American Society of Interventional Pain Physicians. The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

CATEGORY I CREDIT

The Institute for Medical Studies designates the Lumbar Endoscopic Spinal Decompression Review Course live activity for a maximum of 8 AMA PRA Category 1 Credits™ and the Lumbar Endoscopic Spinal Decompression Cadaver Workshop live activity for a maximum of 11 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AMERICANS WITH DISABILITIES ACT & SPECIAL SERVICES

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in these educational activities is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to each conference.

ASIPP® is now an ABA Registered CME Provider.

REGISTRANT INFORMATION
IMPORTANT. Please answer all the questions:

MEDICAL DEGREE:
☑ MD ☐ DO ☐ PhD
☐ List other: __________________________

PRIMARY SPECIALTY CERTIFICATION:
☐ Anesthesiology ☐ Neurosurgery
☐ Other: __________________________

PAIN MEDICINE SUBSPECIALTY CERTIFICATION:
☐ American Board of Anesthesiology
☐ American Board of Pain Medicine
☐ American Board of Interventional Pain Physicians
☐ Fellow of Interventional Pain Practice (FIPP)
☐ Competency in Interventional Pain Management
☐ Competency in Regenerative Medicine

SPECIALTY DESIGNATION:
☑ 09 - Interventional Pain Management
☑ 72 - Pain Management
☐ Other: __________________________

FELLOWSHIP TRAINING:
☐ Pain Medicine
☐ Spine Surgery
☐ Sports Medicine
☐ Other: __________________________

YEARS IN INTERVENTIONAL PAIN MANAGEMENT PRACTICE:
☐ 0 ☐ 1-5 ☐ 6-10 ☐ > 10

NUMBER OF YEARS EXPERIENCE IN LUMBAR SPINAL ENDOSCOPIC DECOMPRESSION:
☐ 0 ☐ 1-5 ☐ 6-10 ☐ > 10

TOTAL NUMBER OF PROCEDURES PERFORMED DURING PAST YEAR:
