SPECIALS:
• SPECIAL ROOM RATES THROUGH FEBRUARY 4, 2016
• 50% OFF MEETING FEE TO FELLOWS & RESIDENTS
On behalf of the Board of Directors of the American Society of Interventional Pain Physicians (ASIPP®), I would like to invite you to one of the most comprehensive and useful educational conferences available anywhere. The ASIPP® Comprehensive Review Course and Competency Exam in Controlled Substance Management will be held in Orlando, Florida, on February 26-28, 2016.

The Controlled Substance Management intensive review course is designed to present interventional pain management specialists and other health care providers an in-depth review of multiple areas of interventional pain management—the areas we were never taught, yet are crucial for our survival.

In addition to the review course, the American Board of Interventional Pain Physicians (for physicians) and the American Association of Allied Pain Management Professionals (for non-physicians) offers the opportunity for examination in order for physicians to obtain competency certification and to non-physicians to obtain associate certificates in Controlled Substance Management.

We look forward to seeing you in Orlando for this educational event and exam.

Sincerely,

Laxmaiah Manchikanti, MD
Chairman of the Board and Chief Executive Officer, ASIPP®

---

STATEMENT OF NEED

These two-day comprehensive review courses are planned as a CME activity to prepare for competency certification or an in-depth review in areas of What You Need to Know in Controlled Substance Management in IPM. This review course is based on the American Board of Interventional Pain Physicians’ specifications for competency certification examinations.

This course will provide in-depth evaluation of the knowledge of the participants with extensive review of subject(s).

As part of this comprehensive, in-depth, intense two-day review course, ASIPP will provide participants with online material of the lectures.

EDUCATIONAL OBJECTIVES/TARGET AUDIENCE

This course is intended to present interventional pain management specialists, nurses, and other healthcare providers an in-depth review of multiple areas of interventional pain management including Controlled Substance Management.

- Review basic science and core concepts
- Discuss pharmacology
- Identify clinical use and effectiveness
- Identify substance abuse
- Discuss topics with documentation, regulatory issues, legal issues, and ethical issues

OUTCOME

Participants in the Controlled Substance Management Course should be able to apply the fundamental concepts of managing controlled substances in your practice, from pharmacology and the clinical uses to identifying abuse and the legal aspects of prescribing, for better outcomes and reduced side effects.

AMERICANS WITH DISABILITIES ACT AND SPECIAL SERVICES

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to the conference.

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The Institute for Medical Studies and the American Society of Interventional Pain Physicians. The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

CATEGORIZE CREDIT

The Institute for Medical Studies designates this live activity for a maximum of 13.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

RN, NP AND PA CREDIT

Nurse Practitioners: The American Academy of Nurse Practitioners (AANP) accepts AMA PRA Category 1 Credit(s)™ from organizations accredited by the ACCME.

RNs/APNs: Most State Nursing Boards accept CE activities designated for AMA PRA Category 1 Credits™ towards re-licensure requirements. Check with your board to determine whether they will accept this CME activity towards your re-licensure. This activity is designated for 13.75 AMA PRA Category 1 Credit(s)™

IMS is accredited to provide continuing medical education for physicians and will provide nurse practitioners who successfully complete each activity with a certificate of participation indicating that the activity was designated for the category credits listed above.

The American Academy of Physician Assistants (AAPA) accepts AMA PRA Category 1 Credits™ from organizations accredited by the ACCME. The provider of this program, the Institute for Medical Studies, is accredited by the ACCME and designates this educational activity for a maximum of 13.75 AMA PRA Category 1 Credits™ for Controlled Substance Management. Physician assistants should only claim credit commensurate with the extent of their participation in the activity.

THERE IS NO COMMERCIAL SUPPORT FOR THIS COURSE. NO DUPLICATION OR DISTRIBUTION OF MATERIALS, OR RECORDING OF LECTURES ARE ALLOWED WITHOUT WRITTEN CONSENT FROM ASIPP®.

ACCOMMODATIONS

ROSEN CENTRE HOTEL
